Centers Plan for Medicare Advantage Care (HMO) Plan
Provider Directory

This directory is current as of 04/01/2025.

This directory provides a list of Centers Plan for Medicare Advantage Care's current network providers for Nassau and Rockland counties, New York.

To access our plan's online provider directory, you can visit www.centersplan.com/mapd. For any questions about the information contained in this directory, please call our Member Service Department at 1-877-940-9330, seven days a week, from 8 am to 8 pm. TTY users should call 711.

To request a hard copy of our provider directory, please call our Member Service Department at 1-877-940-9330, seven days a week, from 8 am to 8 pm. We will mail a hard copy of the provider directory to you within three (3) business days of your request. We may ask whether your request for a hard copy is a one-time request or if you are requesting to receive the provider directory in hard copy permanently.

If you request it, your request for hard copies of the provider directory remains until you leave our plan or request that hard copies be discontinued.

You can get this information for free in other formats, such as large print, braille, or audio. Call our toll-free number at 1-877-940-9330. TTY users call 711.

This document is available for free in Spanish.

Your request for the provider directory in an accessible format or language will be applied on a standing basis unless you request otherwise.

When this document refers to "we," "us," or "our," it means Centers Plan for Healthy Living, LLC. When it refers to "plan" or "our plan," it means Centers Plan for Medicare Advantage Care.

Centers Plan for Medicare Advantage Care (HMO) is an HMO with a Medicare contract. Enrollment in Centers Plan for Medicare Advantage Care depends on contract renewal.

What should you do if the information in the directory is incorrect? vii

Section 2 – List of Network Providers viii

Section 1 – Introduction

This directory provides a list of Centers Plan for Medicare Advantage Care's network providers.

To get detailed information about your health care coverage, please see your *Evidence of Coverage (EOC)* which is available www.centersplan.com/mapd.

Please use this directory to find providers who participate in our plan's network, but know that the plan's online searchable provider directory, available at www.centersplan.com/mapd, is the best way to get the most current information about the providers in our network.

There are several ways to find doctors in these books:

1. If you have the doctor/provider's name, you can use the index at the back of the book to search by name.

2. If you want to search by specialty, you can use the table of contents to find the specialty or provider type you want to find. The doctors are grouped by Specialty/Provider Type and then the various zip codes in which their offices are located.

If you need help finding a provider, please call Member Services at 1-877-940-9330 (TTY users call 711). Representatives are available to help you seven days a week, from 8 am to 8 pm.

You will have to choose one of our network providers listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP. PCPs are usually internists, family practitioners, and gynecologists who have agreed to service our members in a primary care physician role. Among other things, your PCP will:

- Provide you with most of your routine and preventive health care services;
- Help manage and coordinate all aspects of your medical care; and
- Provide referrals for specialty care.

If you do not select a PCP when you enroll, we will assign one to you based on where you live. You may change your designated PCP at any time by contacting Member Services at 1-877-940-9330 (TTY users call 711). Representatives are available seven days a week, from 8 am to 8 pm.

Since your PCP provides and helps to coordinate your medical care, you should have your past medical records sent to your PCP's office.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral or prior authorization. Services that require a referral or prior authorization are indicated in Chapter 4 of your *Evidence of Coverage* available at www.centersplan.com/mapd, but if you have questions, you may call Member Services at 1-877-940-9330 (TTY users call 711). Representatives are available seven days a week, from 8 am to 8 pm. Other providers are available in our network.

Most doctors treat a lot of people. Sometimes, it is hard for a doctor to see all the patients that want to see them. The doctor may decide to not see new patients, so that they can focus on their current patients. You should always call the doctor that you would like to see to make sure that they are willing and able to see you. If you need help finding a doctor, please call Member Services at 1-877-940-9330 (TTY users, please call 711). Representatives are available seven days a week, from 8 am to 8 pm.

You must use network providers except in emergency or urgent care situations, for out-of-area renal dialysis, or other services as approved by the plan. If you obtain routine care from out-of-network providers, neither Medicare nor our plan will be responsible for the costs.

What is a medical emergency and what should you do if you have one?

A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent your loss of life (and, if you are a pregnant woman, loss of an unborn child), loss of a limb or function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do *not* need to get approval or a referral first from your PCP. You do not need to use a network doctor. You may obtain emergency services from the closest available provider. You may get covered emergency medical care whenever you need it, anywhere in the United States or its territories, and from any provider with an appropriate state license even if they are not part of our network. Our plan also covers worldwide emergency services outside the United States/its territories. Please see "What is covered if you have a medical emergency?" below for more information.
- **As soon as possible, make sure that our plan has been told about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Please call Member Services at 1-877-940-9330 (TTY users, please call 711). Representatives are available seven days a week, from 8 am to 8 pm.

What is covered if you have a medical emergency?

You are covered for emergency medical care from any qualified provider with an appropriate license:

- Anywhere in the United States or its territories; and
- Worldwide, up to $25,000 a year; there is a $90 copayment for each visit, which will be waived if you are admitted to the hospital (please see your *Evidence of Coverage* for details). Please note, our plan does not cover urgently needed services if you receive care outside the United States.

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency.

The doctors who are giving you emergency care will decide when your condition is stable, and the medical emergency is over.

After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your doctors will continue to treat you until they contact us and make plans for additional care. Your follow-up care will be covered by our plan.

If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

What if it wasn't a medical emergency?

Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care – thinking that your health is in serious danger – and the doctor may say that it wasn't a medical emergency after all. If it turns out that it was not an emergency, as long as you reasonably thought your health was in serious danger, we will cover your care.

However, after the doctor has said that it was *not* an emergency, we will cover additional care *only* if you get the additional care in one of these two ways:

- You go to a network provider to get the additional care.
- – *or* – The additional care you get is considered urgently needed services and you follow the rules for getting this urgent care (for more information about this, see "What are urgently needed services" below).

What are urgently needed services?

A plan-covered service requiring immediate medical attention that is not an emergency is an urgently needed service if either:

1. You are temporarily outside the service area of the plan (but in the United States/its territories)
2. – *or* – You are inside the service area of the plan, **but it is unreasonable** given your time, place, and circumstances to obtain this service from network providers with whom the plan contracts.

Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. However, medically necessary routine provider visits, such as annual checkups, are not considered urgently needed even if you are outside the service area of the plan or the plan network is temporarily unavailable.

In most situations, if you are in the plan's service area, we will cover urgently needed care if you receive this care from a network provider. However, if you are out of the plan's service area, or network providers are unavailable, you may obtain urgently needed services from any qualified provider.

Our plan does not cover urgently needed services, nor any other non-emergency services or care received outside of the United States and its territories.

What should you do if you receive a bill from a non-contracted/out-of-network provider?

If you receive a bill from a non-contracted provider, do not pay the bill, but rather send it to us for determination of member liability, if any, and processing. Please send the bill to:

Centers Plan for Healthy Living, LLC
Attention: Member Reimbursement
75 Vanderbilt Avenue, 7th Floor
Staten Island, NY 10304

What is the service area for Centers Plan for Medicare Advantage Care?

The following counties in New York State are in Centers Plan for Medicare Advantage Care's service area:

- Bronx
- Erie
- Kings (Brooklyn)
- Nassau
- New York (Manhattan)
- Niagara
- Queens
- Richmond (Staten Island)
- Rockland

How do you find Centers Plan for Medicare Advantage Care providers that serve your area?

This directory includes hospitals, physicians and other providers participating in our plan's network. Each section is organized alphabetically by zip code. Within each zip code, the physician names are listed in alphabetical order along with their address and phone number. For the most updated Centers Plan for Healthy Living provider information, please visit www.centersplan.com/mapd.

While every provider listed in this directory is contracted with our plan, not every provider listed is accepting new patients. For the most current information regarding the status of any provider's practice, please contact either the provider or the medical group you have selected at the phone number listed in this directory.

If you have questions about our plan or require assistance in selecting a PCP, please call our Member Service Department at 1-877-940-9330, seven days a week, from 8 am to 8 pm. TTY users should call 711. You can also visit www.centersplan.com/mapd.

Please remember:

You must use plan providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers neither Medicare nor Centers Plan for Healthy Living will pay for the costs.

Members must use network providers to get medical care and services. The only exceptions are emergencies, urgently needed care when the network is not available (for example, when members are out of the area and need urgent or emergency care), out-of-area dialysis services, and cases in which our plan authorizes use of out-of-network providers.

Are there Pharmacies in this Provider Directory?

No. Pharmacies are listed in a separate directory, our *Pharmacy Directory*. Our *Pharmacy Directory* is available online at www.centersplan.com/mapd. If you would like a copy of our *Pharmacy Directory*

(or our *Provider Directory*) sent to you by mail, please call Member Services at 1-877-940-9330, seven days a week, from 8 am to 8 pm. TTY users, please call 711. Let the representative know which directory/directories you would like mailed to you.

How long should you expect to wait for an appointment?

The following are our appointment wait time standards for Primary Care and Behavioral Health providers, based on the type of appointment:

Appointment Type	**Wait Time Expectations**
Urgently needed services or emergency	Within 24 hours
Services that are not emergency or urgently needed, but you require medical attention	Within 7 business days
Routine and preventive care	Within 30 business days

Centers Plan for Healthy Living communicates with its provider network on a regular basis; however, sometimes providers may decide to stop accepting new patients due to patient volume. Because of this, we recommend that you contact the provider first by telephone to ensure that they are accepting new patients.

What should you do if the information in the directory is incorrect?

If you find information in our provider directory is incorrect, please let us know by calling us at 1-877-940-9330, seven days a week, from 8 am to 8 pm. TTY users, please call 711.
